**GUIDELINES THAT SHOULD BE FOLLOWED BY ALL FUNERAL HOMES,
MONUMENT DEALERS AND VAULT DEALERS**

OPEN AND CLOSING OF GRAVES

Whoever opens a grave will be required to leave enough dirt at the grave site to close the grave. This will eliminate excess traffic in grassy areas, especially in periods of wet weather. Sod will be saved so it can be replaced and tramped down level with the ground. No mound will be left on the grave.

DAMAGE TO OTHER PROPERTY

If while in process of opening, closing, installing stones or grave markers, any damage done to other property will be repaired immediately. If it is not repaired or corrected then the work can be done by the Town of Pinetops and the cost billed to the responsible party.

HEAD STONE, FOOT STONES AND MARKERS

All stones that protrude above the ground will require a cement/granite base with a minimum 4 inch apron on all sides. This is required in Pineview Cemetery. All foot stones or markers will be installed at ground level, only exception is on a lot where there are one or more adjoining stones that already protrude above the ground, and then the new ones may match the old ones. Foundation requirements still apply.

EXCESS DIRT

Excess dirt will be dumped at the place designated by the caretaker. If dirt is dumped elsewhere, it can be moved by the Town of Pinetops and the cost billed to the responsible party.

TRACKS OR RUTS LEFT BY VEHICLES

Tracks or ruts left by tractors, trucks or other equipment will be filled in immediately. If not concealed immediately, the tracks or ruts will be repaired by the Town of Pinetops and the cost billed to the responsible party. Please use proper care when crossing over occupied graves.

GRAVES THAT CAVE IN

Graves that cave in will be the responsibility of the funeral home that performs the service. The turf will be removed to fill in and the turf put back in place. Filling in and not removing the turf is allowed but topsoil must be used and grass seed planted and watered. No exceptions. If grave has not been filled, in an appropriate time, the grave will be filled by the Town of Pinetops and the cost billed to the responsible party.
